## Report of Principal and School Improvement Council

The mission statement of CrossRoads Middle School (CRMS) describes our school as a place where “children are cherished and challenged” during a true crossroads in their lives. We take our mission statement to heart in everything that we do. It guides our decisions, and we work to be faithful to it in all our actions. CrossRoads Middle considers itself and the community it serves to be a close-knit family working together to provide the best educational possibilities for all students. We believe it is important to recognize our diverse population, and we work to create a friendly, welcoming atmosphere for everyone.

We are indeed proud of our accomplished students and staff members. In 2013-2014, more than 400 students were initiated into the National Junior Beta Club. Our students’ excellent performance on the 2013 spring administration of PASS earned CrossRoads Middle the Palmetto Gold Award for academic performance and Palmetto Silver for closing the achievement gap. CrossRoads Middle also received a grade of ‘A’ under the current federal accountability system.

Last year, approximately 650 students were involved in single-gender classes for the four core content areas. This initiative has been very successful for our students. Teachers and parents report that students have been more focused, tried new challenges and achieved better grades than in previous school years. Students report that they feel more confident in the core content classes.

Two more teachers were designated as National Board Certified, bringing the total number of CrossRoads teachers meeting this certification to 28. Our exceptionally well-qualified and dedicated teachers worked to provide students with an academic toolbox to prepare them for the secondary experience. Teachers aligned instruction with state standards through curriculum mapping, participated in data teaming, planned lessons using the DesCartes learning continuum to address specific RIT-band skills, and expanded their use of formative assessment to make informed instructional decisions.

School newsletters, email, Twitter, Edmodo and a frequently updated website connected our school and kept our parents informed. Parent Portal, a web-based program, allowed parents to view their child’s attendance, discipline records and grades.

CrossRoads Middle School takes pride in its enthusiastic commitment to make sixth grade unforgettable for all of our students. We encourage participation in the activities of our school and appreciate the continued support of the community as we work to provide the best in educational opportunities.

SIC Chairperson: Samonja Holland

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>87.4</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

CrossRoads Middle has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
